Berrybank Stage 1 Wind Farm

Welcome to 2021: Global Power Generation and the Berrybank Stage-1 Wind Farm site team would like to welcome everyone to 2021 and wish you all a Happy New Year. GPG is excited begin what is going to be a busy 2021 for the entire team. 2021 will see the construction begin on 3 new Wind Farm Projects; Berrybank Stage-2, Ryan Corner and Hawkesdale and the construction and installation of GPG's first Battery Storage System to be located in the ACT.

Community Update

Community Solar Power Program: The Community Solar Program is progressing and is on track for completion by the end of Q1 of 2021. The Solar Power Program will see Solar Systems installed on 3 Corangamite Shire Buildings and 6 Golden Plains Shire Buildings. The residential stage of the Solar Program has progressed with 13 eligible households to receive systems. GPG would like to thank Off-Grid Energy Australia for all their support and hard work over the past months to progress the Community Solar Program.

Corangamite Shire Community Projects: Lismore Pool Wet Deck Project: Work on the Lismore Pool Wet deck project was completed and opened for the 2021 summer season in January. The renewal of this highly valued community asset was co-funded by Berrybank Wind Farm (\$250,000) and Corangamite Shire (\$125,000). Re-roofing the Darlington Hall Project: Work on re-roofing the historic Darlington Hall is nearing completion, with the remaining flashing and downpipes to be finished this month. This \$40,000 project was funded by Berrybank Wind Farm with the support of the Hall Committee and Corangamite Shire.

Golden Plains Shire Community Projects: Teesdale Turtle Bend Project: Contractor appointed to construct the pedestrian bridge, with works to commence on site on February. Three Trails Project: Audit of the Ballarat-Skipton Rail Trail completed with outcomes to follow. Auditing of the Kuruc a Ruc Trail and Rainbow Bird Trail has been scheduled. Working with local community groups to develop signage around townships. Golden Plains Economic Development, Tourism and Investment Strategy: Project planning and request for quote process currently underway. Streetscapes Project: Brief for request for quote for concept plans currently being developed.

Construction/Commissioning Update

Current Civil Works: Our contractors are currently completing the remaining works over the whole site in preparation of handover to the Operations and Maintenance Teams who will be looking after the next stage of the Berrybank Stage-1 Wind Farm.

Commissioning Works: If you have been past the Berrybank Stage-1 Wind Farm over the past month you may have noticed that there has been 1 Turbine spinning, Our Operations and Maintenance team are currently performing 24 hour testing on each of the turbines to have them all ready for complete electricity generation which will roll out over the coming months.
